The best-selling author of "A grandma walks with me in the woods at night and she is telling me about the stars and moon and I listen to her and I think how beautiful it is and I want to be like her."

Biography of a Manager: Case Study of a Successful Manager - 2000

The FIERCE System

What Happens in Office, Stays in Office

With thousands of employees and operations spread over five continents, it is about to join the billion-dollar club. With the rich and powerful CEO, it is about to save the billionaire club. With a rich and powerful CEO, it is a prime target for a takeover. Boux Avenue plc is a global, women’s fashion, lingerie, and homeware retailer. With more than 160 million in revenue, it decides to buy the entire company from the original promoters of ESL. This saga unfolds through the eyes of four employees. They are about to experience a roller-coaster ride of emotions, society, and agency. The life of all the ESL employees is about to change forever. They go through the painful phase of transition. The entire value system of the company is about to be replaced by an alien system. Careers end, jobs are lost, dreams are shattered, and passions spend.

We Are the Ministers of Finance Selling Democracy 2000-10 A story more comic than social, a story of a young man, and his dream. Every day is a new challenge to the Minister of Finance. And from there, begins his dream, let’s find out together, until can bring it back in the bucket with the Minister of Finance.
